MAY ARRIVE	IN PLACE	SHOW DATE	RELEASE
Tuesday, October 12	Wednesday, October 13	Thursday, October 14	Saturday, October 16
12 Noon	12 NOON	8:00 A.M.	App. 4 PM

JUDGE: JOE PASCHAL

ELIGIBILITY OF EXHIBITS

Animals must be registered with the International Brangus Breeders Association to be eligible to compete in Association-sponsored shows. Animals recorded in the IBBA appendix registry are disqualified. The registration certificates (or photocopy) for each entry must be available for presentation to the Superintendent or Manager of the show at the time entries are verified prior to judging.

The IBBA, and its representatives, have the authority to require such tests as they deem necessary to verify the accuracy of the classification and pedigree of exhibited Brangus animals. Said authority shall extend to, and cover the enforcement of, all show rules as adopted by the IBBA.

The registration number and animal identification number (brand or tattoo), birth date and sire of each animal entered in an individual class, and the sire of each entry, must be listed on the entry form of each animal entered.

Animals eligible to be shown in group classes must be entered and shown in respective Individual classes.

Prior to check-in, heads of breeding animals must be clipped of all hair (including topknots), and be free of scurs and/or slick spots.

Any animal found to have scurs and/or slick spots, or evidence of incisions, surgical or otherwise, in the following areas: head, testicles, sheath, navel or dewlap, will be disqualified from showing. Animals with illegal white (white in front of the navel) or any indication of brindling (a color pattern characterized by red streaks mingled with black) are ineligible for show. Any animal upon check-in, which does not have a legible tattoo or brand corresponding to its registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible tattoo/brand, animals cannot be re-tattooed and rechecked at the show. The brand/tattoo can be corrected and rechecked at the next available show.

Any Brangus animal recorded in the IBBA Registry that has a "Parentage Dispute" listed in its first three-generation pedigree is ineligible for participation in Brangus shows and exhibitions. If the dispute is resolved, the listing will be removed from the pedigree and show eligibility will be restored.

In IBBA-sanctioned shows, no animal may be shown that has been artificially filled with any amount of liquid at any time once the animal enters the grounds of a show. The fitter or ranch entity involved with an animal being artificially filled will be banned from the show ring for one year and the animal will be disqualified from exhibition at that particular show. The official show veterinarian may administer liquids orally, if so needed, without disqualifying animal(s) from exhibition.

No animal may be shown that has had any foreign object glued to or otherwise attached in a manner so as to alter its conformation or change its appearance. Tail ties and hair nets used on the tail and switch are the only exception.

All Brangus bulls 15 months of age or older that are exhibited at IBBA sponsored shows must have passed a fertility examination given by a licensed veterinarian to be eligible to show. The results of this examination must be available at check in. Once a bull has a positive examination retesting is not required.

All females 20 months of age or older exhibited at IBBA sanctioned shows, must have available at the time of check-in, a certificate of pregnancy issued by an accredited, non owner veterinarian, or blood test results certificate. If the female is open due to being in an embryo transfer program, this fact must be verified in a written statement by a non owner embryologist. If verification cannot be produced, the female may be allowed to participate if the exhibitor can produce a qualified veterinarian to examine the female at the show site and verify pregnancy.

Entries that have not complied with all of the above rules will not be eligible to show, to receive premium monies, or earn points in the IBBA's Sire of the Year, Show Bull of the Year, and Show Heifer of the Year awards.

All IBBA and IJBBA members will abide by the show rules as adopted. In addition, any show, fair, event or display in which Brangus cattle participate should follow these rules as adopted by IBBA. All Brangus entries are subject to the provision of a rule of the IBBA entitled "Inspection of Exhibits"

INSPECTION OF EXHIBITS

The IBBA, and its representatives, have the authority to require such tests as they deem necessary to verify the accuracy of the classification and pedigree of exhibited Brangus animals. Said authority shall extend to, and cover the enforcement of, all show rules as adopted by IBBA.

Each exhibitor shall submit his or her registered Brangus cattle to such tests and examinations as requested and/or required by the IBBA, its authorized representatives, or the authorized representatives of the relevant show.

For, and in consideration of, the opportunity to participate in any Brangus function, each exhibitor hereby releases the IBBA, its officers, directors and representatives from negligence, any and all claims, suits, and judgments past, present, or future, arising from or connected with the administration or use of such test or examination and the resulting decisions there from.

Dental Inspection: All entries may be classified for judging on an age basis and should be entered in class according to age. Teeth may be inspected by a veterinarian designated by the IBBA in order to determine whether dental development is within allowable limits for the class so entered. If the veterinarian determines that, in his or her opinion, dental development exceeds maximum allowable limits, the animal shall be moved to an older class as determined by the veterinarian and shall remain in that class until determined otherwise by subsequent mouthing or favorable appeal to the IBBA Executive Committee. If it is not possible to move an animal, the animal may not be exhibited in such show.

Any exhibitor desiring to dispute or challenge the results of any such test, exam, or show rule enforcement, as applied to his or her animal, shall do so in accordance with procedures established by the Rules of the IBBA.

Appeal: An appeal from the decision of the veterinarian or IBBA-designated association representatives under Sections 1 and 4 of the "Inspection of Exhibits" may be made to the Executive

Committee of the IBBA if the following requirements are satisfied: (1) The appeal is in writing and is signed by the appealing party, and (2) the appealing party files the written appeal with the IBBA Executive Committee as soon as possible after the veterinarian's or designated association representative's decision was made. If an appeal satisfying the foregoing requirements is filed with the IBBA Executive Committee, the Executive Committee shall hold a hearing at which the appealing party, and the veterinarian or designated association representative, whose decision is being appealed shall present statements and other evidence that are relevant to the matter following which the Executive Committee shall render a decision which shall be final and conclusive.

Blood Typing for Parentage Verification: Each Brangus animal for which an entry application or registration is received may be subjected to a blood typing test in order to verify both accuracy of parentage and blood type, according to Rules 1 and 2 of the International Brangus Breeders Association (IBBA) "Inspection of Exhibits." At selected shows and fairs, blood samples will be taken from all division champions and reserve division champions for the purpose of verifying parentage and blood type. Staff of the IBBA will supervise the collection of blood samples, which can be taken at shows, fairs, and events where IBBA contributes premium money or where IBBA staff personnel participate. Cost of the blood typing procedure will be paid for by the IBBA. If a recorded parent is excluded (as a parent) as a result of blood typing, the owner of the animal may request, at his or her own expense, further determination of the actual parent. Failure to determine the sire and dam will result in the animal being ineligible for future shows and

FEMALE CLASSES

1. Spring Heifer Calf calved March 1, 2010, & after A
2. Junior Heifer Calf calved January 1-February 28, 2010..... A
 - JUNIOR CALF CHAMPION (from classes 1 & 2)..... ROSETTE
 - RESERVE JUNIOR CALF CHAMPION ROSETTE
5. Winter Heifer Calf calved November 1-December 31, 2009 A
6. Senior Heifer Calf calved September 1-October 31, 2009 A
 - SENIOR CALF CHAMPION (from classes 5 & 6) ROSETTE
 - RESERVE SENIOR CALF CHAMPION ROSETTE
9. Late Summer Yearling Heifer calved July 1-August 31, 2009..... A
