JUDGE: WILLIAM CAWLEY

SPECIAL RULES

1. All animals, to be eligible for an Open Charolais Breeding Class, must be purebred and registered with AICA. Only Bona Fide (original) Certificates of Registration will be accepted as evidence of registration and ownership; NO PHOTOCOPIES.
2. An animal is eligible to enter or compete in an open Charolais breeding class if registered in country of origin outside the United States and is eligible for purebred registry in the AICA Herdbook.
3. All animals, to be eligible, may be approved by a sifting committee designated by the AICA. Stall space will not be provided for any Charolais cattle that have not been accepted by the sifting committee.
4. All animals are subject to a medical examination in order to determine age, and each animal will be presented in the show ring in its natural conformation without alteration or modification. Use of artificial tailheads not permitted.
5. Any animal not having a legible tattoo or fire brand number is ineligible and will be barred from showing.
6. Bulls from Classes 39, 40, 43, 44, and 45 must have a valid, satisfactory semen test certificate in possession. This certificate is valid for the entire show season.
7. All animals shown in individual classes must be weaned, with the exception of the cow/calf class and calves at the side of females calved after September 1, 2008. Calves must be purebred and registered with AICA. Females calved after September 1, 2008, must show in individual female class appropriate to age. Nurse cows are not permitted.
8. All females 20 months and older exhibited at AICA sanctioned shows must be accompanied by a certificate of pregnancy from a licensed veterinarian or have produced fertile eggs as certified in a written statement by a licensed veterinarian or embryologist or have a calf at side.

9. AICA requires that all animals be shown with a halter and suggest that all bulls be shown with a nose lead.
10. ALL EXHIBITS OF CHAROLAIS BREEDING CATTLE SHALL BE GOVERNED BY THE AICA RULES AND REGULATIONS, ARTICLE XV, TITLED EXHIBITION OF ANIMALS. THE INSPECTION OF EXHIBIT CATTLE IS SPECIFIED IN ARTICLE XV, PARAGRAPH C, OF THE ASSOCIATION RULES AND REGULATIONS AND NON-COMPLIANCE OF EXHIBIT INSPECTION IS SPECIFIED IN PARAGRAPH D OF THE SAME ARTICLE XV.
11. ALL OTHER GENERAL RULES OF THIS SHOW APPLY.
12. ARTICLE XV, PARAGRAPH B, and POINT 2: "Each animal will be presented in its natural conformation and structure without alteration or modification. Alteration or modification shall be defined to include any surgical, chemical, electrical or other change for cosmetic purpose, save only branding, tattooing, foot trimming or dehorning. The act of artificially filling animals internally, which would include stomach pumping, drench tubes or any other method per os (by esophagus), is prohibited. Silicone injection or other injection for cosmetic purpose shall be prohibited. Anabolic steroid use shall likewise be prohibited and any animal testing positive for anabolic steroid or diuretic use shall be presumed to be altered or modified."
13. Effective October 22, 2004, at any American-International Charolais Association (AICA) sanctioned show (including shows receiving AICA premium funding and/or qualifying as a Roll of Excellence Show), the use of a coloring agent, flock and powder is prohibited. Use of these products will result in the immediate disqualification of a given animal at such.
