**OPEN CLASS
PARTICIPATION STATEMENT
AMERICAN ANGUS ASSOCIATION**

The American Angus Association®, 3201 Frederick Avenue, St. Joseph, Mo., will participate in premiums offered for open class Angus breeding cattle classes according to the premium schedule based on the number of head shown. The premium assistance provided by the American Angus Association for participation in this show is in addition to the premiums offered by the show itself. The premium assistance should not be used to offset show expense and shall be included in the premium payments distributed by the show to the exhibitors.

A minimum of 50 head must be shown in the open class division to receive American Angus Association premium participation for the following year.

Premiums from the Association are paid only to registered Angus cattle and only if the registration number is a part of the show report provided to the Association. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association's portion of premiums. The Association does not pay on championship or any group classes, (i.e. get-of-sire, junior get-of-sire or breeder six-head).

Exhibitors must have the original registration certificate issued by the American Angus Association available for inspection at the show for each animal or another current proof of ownership issued by the American Angus Association pedigree look up. Any animal, upon check-in, which does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks or hot-branded marks) corresponding to the permanent identification mark on the registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-identified (tattooed/branded) and rechecked at the show.

Any female shown with a calf at side: the calf must be the cow's most recent natural calf, and the calf must be registered by show day and have proof of registration at check in.

Only one person at a time shall lead an animal into the show ring.

Exhibitors who participate in shows that accept premium monies contributed by the American Angus Association are subject to the Association Rules as found in the Breeders Reference Guide of the Association. These rules are found in Part 2; Association Rules. The rules relating directly with the exhibition of Angus cattle are Part 2: Association Rules; Rule 800 Series; including Rule 800 - 810. These rules can be found at www.angus.org.

Altering the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of white skin, false tail heads (or use of any false hair), with the exception of false tail switches. The use of graphite, powders, hemp or other similar substances used externally are also prohibited. Other prohibited products include those used internally such as steroids, illegal or unlicensed pharmaceuticals or artificial filling. Any animal found to be in violation will be barred from showing.

At any show for which the American Angus Association appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors or member owners at such show shall be allowed to use any coloring agents, on any animal exhibited. The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a "white towel" or "white glove" test. No aerosol cans or other pressurized containers will be allowed in designated line up areas.

Authorized representatives of the Association have the authority to enforce the rules set forth herein as well as in the Association Rules, including the barring of a registered animal from a livestock show at which it is to be shown, if there are reasonable grounds to believe a violation has occurred.

SPECIAL RULES

All animal tattoos may be checked for legibility and must match the registration papers for that animal. Animals with illegible tattoos or incorrect papers will not be allowed to show. If an animal's tattoo is not legible or cannot be read upon initial processing, it will be ineligible to show and not be allowed to return with a new or corrected tattoo.

Animals must be registered with Beefmaster Breeders United and must present original registration certificates at check in. Copies of registration certificates will not be accepted.

Animals entered in group classes must have been shown in an individual class. Group class entries must be done according to normal entry deadline. There will be **NO** on site entry.

Heifers exhibited at 24 months of age or older must be accompanied by a certificate of pregnancy.

No animal may be shown that has had any foreign objects glued to or otherwise attached in a manner so as to alter its conformation or change its appearance. Animals unethically fitted to alter the conformation or appearance of the animals will be disqualified.

All bulls 20 months of age or older that are exhibited must have passed a fertility examination given by a licensed veterinarian to be eligible to show.

Animals shall be shown with their hair coats lying downward in a natural state that is flat to the entire body, which includes the legs and tail head.

Entries must be made in the name of the Owner.

Animals are required to abide by Arkansas Livestock & Poultry Commission guidelines. Animals showing signs of warts or other disease will be disqualified and will be required to leave the Fairgrounds.

JUDGE:

SUPERINTENDENT:

SPECIAL RULES

Animals must be registered in the American Brahman Breeders Association to be eligible to compete in association-sponsored shows. The Registration Certificate for each entry must be available for presentation to show personnel at the time entries are verified prior to judging.

The registration number and animal identification number (number branded on animal) of (1) each animal must be entered in an individual class, (2) the sire of each get-of-sire entry and (3) the dam of each produce-of-dam entry must be listed on the entry form of each animal entered.

Entries that have not complied with rules one (1) and two (2) above will not be eligible to show, receive premium monies or earn points in the association's Register of Renown.

Animals to be eligible to be shown in group classes must be entered and shown in individual classes.

Entries will be listed numerically according to age (youngest first) in catalogs and judging schedules. Include animal identification number (number brand) as part of identification. When entering the arena for judging, the handlers will line cattle up numerically in same order.

Judges will be allowed to comment on placings in selected classes when conditions permit.

Each animal will be presented in the show ring in its natural conformation and structure without alteration or modification. Alteration or modification shall be defined to include any surgical or circulatory constriction including banding or other appearance change, save only branding, tattooing, foot trimming or dehorning. Injections of foreign substances internally for cosmetic purposes, steroids, growth hormones, or stimulants is prohibited. If, to the satisfaction of the ABBA staff, officers, executive committee or board of directors, any animal that has had its natural conformation and structure altered or been administered steroids, growth hormones or stimulants; then the said animal shall be ruled ineligible to compete until such time the Show Committee and owner/owners have reviewed the case. Any violators, both owner & fitter will be ineligible to exhibit cattle at ABBA Approved Shows for 5 years.

If any exhibitor/owner/showman interferes in any way with the judge or shows disrespect to him or to the show in the ring, the exhibitor/owner/showman may be dismissed by the judge or show management from the ring. The management may withhold from each exhibitor/owner/showman any premium monies that may be awarded or take other steps deemed desirable.

In cases where families, companies, corporations, etc. are operated as a unit under the same management but have cattle also registered in the name of the individual partners, said cattle, even though bearing a different ownership brand, are eligible to be shown in competition under the

firm name provided they have not been and will not be shown in the name of the individuals.

Arkansas State Fair requires that all entries are made in the name of the owner.

For females being shown in the three oldest classes, exhibitor must have a certificate of pregnancy issued by a licensed veterinarian to be presented to show officials at time of check in. The show reserves the right to perform pregnancy determination by palpation for females in the above classes at any given ABBA approved show if an official protest has been filed. For Fall Shows, the last class of females is required to have a calf at side. The only exemption from this rule will be cows that have already weaned a calf and the registration certificate of the calf MUST be presented to the judge.

All bulls will be shown with a nose ring or nose restraint with lead attached. For bulls showing in the oldest class, exhibitor must have a certificate issued by a licensed veterinarian stating the bull has produced viable semen. This certificate must be available for inspection by the judge on request.

This deals with the produce of dam classes and the Get-of-Sire classes:

- Embryo Produce of Dam – Two animals from the show classes produced by one dam by embryo transfer either or both sexes may be represented. Group entries must be made in one exhibitor's name and must be made during entry process. No ownership requirement.
- Natural Produce of Dam – Two natural born animals produced by one dam from the show classes, either or both sexes may be represented. No ownership requirement. .
- Get-of-Sire – Four animals from at least two dams by one sire from the individual show classes, both sexes must be represented. No ownership requirement. .

No exhibitor shall be permitted to show more than one produce or embryo-produce-of-dam per dam.

Cows that are exhibited with calves at side must be in a lactating stage. Calves must be shown and exhibited with their dams and said calves must not exceed 240 days of age on day of judging. The judge will be made aware by the ring steward of those cows whose calves are ineligible to show by this rule.

Cattle will not be allowed to show if their switches have been balled or glitter applied to their skin.

The owner of record of any registered animal entered in an ABBA-approved show and/or his/her agent, exhibitor, fitter, handler and/or representative releases ABBA and its representatives from any and all liability that seller/owner might claim as a result of injury of any kind sustained before, during, or after handling cattle for any ABBA board approved activity.

For shows to remain approved point shows by ABBA, they must maintain a 20 head average for the previous two years.

ALL animals MUST have a Birth Weight submitted to be eligible to show in ABBA Approved Shows

The official ABBA rules and procedures governing showing and exhibiting of registered Brahman cattle supersede any rules printed in any show catalog

In an attempt to insure that all animals receive an equal evaluation, classes with more than 30 entries may at the discretion of the Show Management and/or ABBA Officials be split by age as evenly as possible.

Brands and registration papers will be checked during check in.

Original registration papers must be presented at check in. (No copies will be accepted)

Entries must be made in the name of the Owner.

Animals showing signs of warts or other disease will be disqualified and will be required to leave grounds.

OPEN BRANGUS DIVISION 1004

JUDGE:

SUPERINTENDENT:

SPECIAL RULES

Animals must be registered with the International Brangus Breeders Association to be eligible to compete in Association-sponsored shows. Animals recorded in the IBBA appendix registry are disqualified. The registration certificates for each entry must be available for presentation to the Superintendent or Manager of the show at the time entries are verified prior to judging. *Arkansas State Fair requires that the original registration certificates are presented at check in. Photocopies are not accepted.*

The IBBA, and its representatives, have the authority to require such tests as they deem necessary to verify the accuracy of the classification and pedigree of exhibited Brangus animals. Said authority shall extend to, and cover the enforcement of, all show rules as adopted by the IBBA.

The registration number and animal identification number (brand or tattoo), birth date and sire of each animal entered in an individual class, and the sire of each entry, must be listed on the entry form of each animal entered.

All calves exhibited at the side of a Brangus female must be registered with the IBBA and meet all rules required for show eligibility and inspections of exhibits.

Animals eligible to be shown in group classes must be entered and shown in respective individual classes. Cows exhibited in the cow/calf classes are not eligible for the group classes.

Prior to check-in, heads of breeding animals must be clipped of all hair (including topknots), and be free of scurs and/or slick spots.

Any animal found to have scurs and/or slick spots, or evidence of incisions, surgical or otherwise, in the following areas: head, testicles, sheath, navel or dewlap; including scars from caesarean sections, will be disqualified from showing. Animals with illegal white (white in front of the navel) or any indication of brindling (a color pattern characterized by red streaks mingled with black) are ineligible for show. Any animal upon check-in, which does not have a legible tattoo or brand corresponding to its registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible tattoo/brand, animals cannot be re-tattooed and rechecked at the show. The brand/tattoo can be corrected and rechecked at the next available show.

All bulls (shown as individual entry) must be shown with a nose ring or nose restraint with lead attached. Any Brangus animal recorded in the IBBA Registry that has a "Parentage Dispute" listed in its first three-generation pedigree is ineligible for participation in Brangus shows and exhibitions. If the dispute is resolved, the listing will be removed from the pedigree and show eligibility will be restored.

In IBBA-sanctioned shows, no animal may be shown that has been artificially filled with any amount of liquid at any time once the animal enters the grounds of a show. The fitter or ranch entity involved with an animal being artificially filled will be banned from the show ring for one year and the animal will be disqualified from exhibition at that particular show. The official show veterinarian may administer liquids orally, if so needed, without disqualifying animal(s) from exhibition. Arkansas State Fair has strict guidelines regarding this rule and other penalties may apply.

No animal may be shown that has had any foreign object glued to or otherwise attached in a manner so as to alter its conformation or change its appearance. Tail ties and hair nets used on the tail and switch are the only exception.

Paint or coloring agents of any kind are not to be used on any animal exhibited at IBBA sponsored shows. The use of aerosol products will not be permitted in the line-up area for the show. Animals will be towed in the line-up area prior to entering the show ring. Animals found in violation of these policies will be disqualified from the show ring.

All Brangus bulls 15 months of age or older that are exhibited at IBBA sponsored shows must have passed a fertility examination given by a licensed veterinarian to be eligible to show. The results of this examination must be available at check in. Once a bull has a positive examination retesting is not required.

All females 20 months of age or older exhibited at IBBA sanctioned shows, must have available at the time of check-in, a certificate of pregnancy issued by an accredited, non-owner veterinarian, or blood test results certificate. If the female is open due to being in an embryo transfer program, this fact must be verified in a written statement by a non-owner embryologist. If verification cannot be produced, the female may be allowed to participate if the exhibitor can produce a qualified veterinarian to examine the female at the show site and verify pregnancy.

Entries that have not complied with all of the above rules will not be eligible to show, to receive premium monies, or earn points in the IBBA's Sire of the Year, Show Bull of the Year, and Show Heifer of the Year awards.

All IBBA and IJBBA members will abide by the show rules as adopted. In addition, any show, fair, event or display in which Brangus cattle participate should follow these rules as adopted by IBBA. All Brangus entries are subject to the provision of a rule of the IBBA entitled "Inspection of Exhibits"

Tattoos/brands and registration papers may be checked during check in.

Original registration papers must be presented at check in. (No copies will be accepted)

Entries must be made in the name of the Owner.

Animals showing signs of warts or other disease will be disqualified and will be required to leave the Fairgrounds.

INSPECTION OF EXHIBITS

The IBBA, and its representatives, have the authority to require such tests as they deem necessary to verify the accuracy of the classification and pedigree of exhibited Brangus animals. Said authority shall extend to, and cover the enforcement of, all show rules as adopted by IBBA.

Each exhibitor shall submit his or her registered Brangus cattle to such tests and examinations as requested and/or required by the IBBA, its authorized representatives, or the authorized representatives of the relevant show.

For, and in consideration of, the opportunity to participate in any Brangus function, each exhibitor hereby releases the IBBA, its officers, directors and representatives from negligence, any and all claims, suits, and

judgements past, present, or future, arising from or connected with the administration or use of such test or examination and the resulting decisions there from.

Dental Inspection: All entries may be classified for judging on an age basis and should be entered in class according to age. Teeth may be inspected by a veterinarian designated by the IBBA in order to determine whether dental development is within allowable limits for the class so entered. If the veterinarian determines that, in his or her opinion, dental development exceeds maximum allowable limits, the animal shall be moved to an older class as determined by the veterinarian and shall remain in that class until determined otherwise by subsequent mouthing or favorable appeal to the IBBA Executive Committee. If it is not possible to move an animal, the animal may not be exhibited in such show.

Any exhibitor desiring to dispute or challenge the results of any such test, exam, or show rule enforcement, as applied to his or her animal, shall do so in accordance with procedures established by the Rules of the IBBA.

Appeal: An appeal from the decision of the veterinarian or IBBA-designated association representatives under Sections 1 and 4 of the "Inspection of Exhibits" may be made to the Executive Committee of the IBBA if the following requirements are satisfied: (1) The appeal is in writing and is signed by the appealing party, and (2) the appealing party files the written appeal with the IBBA Executive Committee as soon as possible after the veterinarian's or designated association representative's decision was made. If an appeal satisfying the foregoing requirements is filed with the IBBA Executive Committee, the Executive Committee shall hold a hearing at which the appealing party, and the veterinarian or designated association representative, whose decision is being appealed shall present statements and other evidence that are relevant to the matter following which the Executive Committee shall render a decision which shall be final and conclusive.

IBBA Blood Typing for Parentage Verification: Each Brangus animal for which an entry application or registration is received may be subjected to a blood typing test in order to verify both accuracy of parentage and blood type, according to Rules 1 and 2 of the International Brangus Breeders Association (IBBA) "Inspection of Exhibits." At selected shows and fairs, blood samples will be taken from all division champions and reserve division champions for the purpose of verifying parentage and blood type. Staff of the IBBA will supervise the collection of blood samples, which can be taken at shows, fairs, and events where IBBA contributes premium money or where IBBA staff personnel participate. Cost of the blood typing procedure will be paid for by the IBBA. If a recorded parent is excluded (as a parent) as a result of blood typing, the owner of the animal may request, at his or her own expense, further determination of the actual parent. Failure to determine the sire and dam will result in the animal being ineligible for future shows and exhibitions.

OPEN CHAROLAIS DIVISION 1005

JUDGE:
SUPERINTENDENT:

SPECIAL RULES

All animals, to be eligible for an Open Charolais Breeding Class, must be purebred and registered with AICA. Only bona fide (original) Certificates of Registration will be accepted as evidence of registration and ownership. NO PHOTOCOPIES.

An animal is eligible to enter or compete in an open Charolais breeding class if registered in country of origin outside the United States and is eligible for purebred registry in the AICA Herdbook.

Animals registered in the AICA Colored Division Registry (QF and QM initialed registration numbers) must meet the parameters of the AICA Color Card.

All animals, to be eligible, may be approved by a sifting committee designated by the AICA. Stall space will not be provided for any Charolais cattle that have not been accepted by the sifting committee.

All animals are subject to a medical examination in order to determine age, and each animal will be presented in the show ring in its natural conformation without alteration or modification. Use of artificial tailheads not permitted.

Any animal not having a legible tattoo or fire brand number is ineligible and will be barred from showing.

Bulls from Classes 39, 40, 43, 44, and 45 must have a valid, satisfactory semen test certificate in possession. This certificate is valid for the entire show season.

All animals shown in individual classes must be weaned, with the exception of the cow/calf class and calves at the side of females calved after September 1, 2018. Calves must be purebred and registered with AICA. Females calved after September 1, 2018, must show in individual female class appropriate to age. Nurse cows are not permitted.

All females 20 months and older exhibited at AICA sanctioned shows must be accompanied by a certificate of pregnancy from a licensed veterinarian or have produced fertile eggs as certified in a written statement by a licensed veterinarian or embryologist or have a calf at side.

AICA requires that all animals be shown with a halter and suggest that all bulls be shown with a nose lead. Arkansas State Fair requires that bulls six months and older are shown with a nose lead.

ALL EXHIBITS OF CHAROLAIS BREEDING CATTLE SHALL BE GOVERNED BY THE AICA RULES AND REGULATIONS, ARTICLE XV, TITLED EXHIBITION OF ANIMALS. THE INSPECTION OF EXHIBIT CATTLE IS SPECIFIED IN ARTICLE XV, PARAGRAPH C, OF THE ASSOCIATION RULES AND REGULATIONS AND NON-COMPLIANCE OF EXHIBIT INSPECTION IS SPECIFIED IN PARAGRAPH D OF THE SAME ARTICLE XV.

ALL OTHER GENERAL RULES OF THIS SHOW APPLY.

ARTICLE XV, PARAGRAPH B, and POINT 2: "Each animal will be presented in its natural conformation and structure without alteration or modification. Alteration or modification shall be defined to include any surgical, chemical, electrical or other change for cosmetic purpose, save only branding, tattooing, foot trimming or dehorning. The act of artificially filling animals internally, which would include stomach pumping, drench tubes, or any other method per os (by esophagus), is prohibited. Silicone injection or other injection for cosmetic purpose shall be prohibited. Anabolic steroid use shall likewise be prohibited and any animal testing positive for anabolic steroid or diuretic use shall be presumed to be altered or modified."

Effective October 22, 2004, at any American-International Charolais Association (AICA) sanctioned show (including shows receiving AICA premium funding and/or qualifying as a Roll of Excellence Show), the use of a coloring agent, flock and powder is prohibited. Use of these products will result in the immediate disqualification of a given animal at such show.

Tattoos and registration papers may be checked during check in.

Original registration papers must be presented at check in. (Copies will not be accepted)

Entries must be made in the name of the Owner.

Animals showing signs of warts or other disease will be disqualified and will be required to leave the Fairgrounds.

SPECIAL RULES

The Arkansas State Fair has been named an American Hereford Association Southeast Regional Show for both Horned and Polled Herefords.

All Hereford entries must be duly recorded with the American Hereford Association. Any animal with a pending registration or without a legible tattoo will not be eligible for show competition.

All entries are subject to provisions and rules for showing as set forth by the American Hereford Association board of Directors, and are subject to supervision of the Show and Sale Committee representing the AHA.

Animals must be entered and exhibited under the recorded ownership or co-owners' names as of show entry deadline date.

Ear tattoos must be legible and correct for show eligibility.

Tattoos and registration papers will be checked during check in.

Original registration papers must be presented at check in. (No copies will be accepted)

Entries must be made in the name of the Owner.

Animals showing signs of warts or other disease will be disqualified and will be required to leave the Fairgrounds.

Violations of AHA's rules regarding defects and unethical practices will result in disqualification of animals in question.

All Arkansas State Fair General Rules apply to this show.

SPECIAL RULES

This is a NALF Medal of Excellence Show

Animals must be registered with the North American Limousin Foundation (NALF). No pending registrations are accepted. Original registration certificates must be presented at check in. No copies of registration papers will be accepted.

All cattle shown including calves at the side of the dam must be: (a) 75% Limousin (NALF percentage, not actual) or greater as indicated on orange NALF registration certificates OR (b) purple-papered Lim Flex cattle as indicated by NALF registration certificates

Percentage, fullblood, purebred, and Lim-Flex cattle shall compete in the same classes and championships

Animals must be properly tattooed and will be inspected at the show. Tattoos must be legible and match the registration certificates. If an animal's tattoo is not legible or cannot be read upon initial processing, it will be ineligible to show and not be allowed to return with a new or corrected tattoo.

To maintain a high degree of confidence in Limousin shows, NALF and the Arkansas State Fair reserve the right to disqualify any animal that has been fitted in an unethical manner. Unethical fitting shall include the following:

Any use of paints, hair-coloring conditioners, colored show foam, graphite, colored powders or other substances; animals may be subject to a white-towel test;

The addition of any hair or hair like substances, including false tail heads and false polls (false tail switches are allowed);

The cutting, tearing or gluing of the hide or underneath the hide or removal of tissue in an attempt to alter the shape of the animal or the injection of any gas, solid or liquid under the hide to alter the normal conformation;

Any products, solutions or liquids administered internally or externally to alter the conformation of the animal is prohibited. That includes the use of steroids, growth stimulants and the act of artificially filling animals internally, which would include stomach pumping, drench tubes or any other method.

EXCEPTION: In the case of severely sick or dehydrated animals, the exhibitor may have fluids or electrolytes administered by the licensed official show veterinarian with the approval of the show superintendent. That exception is not applicable on show day or weigh-in/check-in day.

Bulls older than one (1) year must show with a nose lead. The Limousin show superintendent and the show management reserve the right to disqualify animals deemed unmanageable.

Protests against exhibitors, individual animals or fitting violations must be submitted in writing, signed by five (5) active members of the NALF and presented to the show superintendent within 12 hours of the completion of show.

NALF and the Arkansas State Fair reserve the right to mouth animals for dental development.

NALF reserves the right to collect hair samples from any animal.

Class size shall be to the discretion of show management and may not contain more than 20 head. The given classes may be split or combined only within their given division..

Calves exhibited alongside dams in the cow-calf division are not eligible to show as individuals.

Animals shown must be solid red or black above the flanks, excluding birth marks.

All animals must abide by Arkansas Livestock & Poultry Commission guidelines. Animals exhibiting signs of warts or other disease will not be eligible for competition and will be required to leave the Fairgrounds.

SPECIAL RULES

The attempted surgical or non-surgical alteration of conformation of an animal is prohibited, except for dehorning. Cattle are to be shown in their natural conformation.

All animals over 7 months of age must be dehorned.

Any and all cattle shall be made available to have blood drawn for parentage verification, detection of foreign substances or the presence of altering. If recorded parent is excluded as a result of blood typing, the owner may, at his expense, request the AMAA to determine the actual parent. Failure to determine parentage will result in disqualification of that animal from the AMAA Herdbook.

Heifers exhibited at 20 months of age or older must be accompanied by a certificate of pregnancy. For heifers used in embryo transfer, a certificate of positive fertility issued by a licensed veterinarian must be available for inspection.

Bulls exhibited at 14 months of age or older must have had a positive semen test, and a certificate to that effect must be available for inspection.

Exhibitors are subject to all rules and regulations of the American Maine-Anjou Association. When an entry is made, exhibitors agree to abide with the rules and regulations established by the AMAA as well as the rules of the Show Management.

All animals must be registered in the AMAA or Canadian Associations.

Animals in Open Maine Anjou classes must be 75% or greater.

Ear tattoos must be legible and correct for show eligibility.

Tattoos and registration papers will be checked during check in.

Original registration papers must be presented at check in. (No copies will be accepted)

Entries must be made in the name of the Owner.

Animals showing signs of warts or other disease will be disqualified and will be required to leave the Fairgrounds.

OPEN RED ANGUS DIVISION 1009

JUDGE:

SUPERINTENDENT:

SPECIAL RULES

GENERAL REGULATIONS

Only registered Red Angus cattle in Category 1A (100%) and Category 1B (87% through 99%) will be eligible to show. This specifically excludes cattle in Category II and III. The Arkansas State Fair Red Angus Show will be conducted under a joint show provision wherein Category 1A and 1B show together in the same classes.

All animals entered must conform to all the Arkansas State Fair and the Red Angus Association of America eligibility requirements.

Cattle entered in any Red Angus show must be officially registered in one of the following: Red Angus Association Herdbook, in the Herdbook of the Canadian Angus Association or any foreign Angus Association Herdbook recognized by the Red Angus Association of America.

Entries in classes at any Red Angus show are accepted with the understanding that each exhibitor agrees to conform to the rules and regulations of the Red Angus Association of America with reference to inspection of entries, such as blood typing, mouthing and such other inspections prescribed by the Red Angus Association of America.

All animals must be properly tattooed and may be inspected at the show. Tattoos must be legible and must match the registration certificate. If an animal's tattoo is not legible or does not match the registration certificate and cannot be read during processing, it will not be allowed to participate in the show.

Each exhibitor and/or owner of Red Angus cattle entered in any Red Angus show or exhibition is required to ensure that each animal will be exhibited in its natural conformation and structure and without any alterations or modifications, with the exception of acceptable fitting, grooming and treatment of hooves.

The addition of any hair or hair-like substances shall be considered an unethical practice and will not be allowed in Red Angus Competition.

All females 20 months of age or older (on announced date of show) exhibited at a show sponsored by the Red Angus Association of America must be accompanied by a certificate of pregnancy from a licensed veterinarian or have produced fertile eggs as certified in a written statement by a licensed veterinarian or embryologist or have a calf at side. Failure to show documentation will result in the animal being ineligible to show.

All bulls nine months of age or older (on announced date of show) exhibited at a show sponsored by the Red Angus Association of America must be shown with a nose lead. **Arkansas State Fair requires all bulls six months of age and older to be shown with a nose lead.**

Tattoos and registration papers may be checked during check in.

Original registration papers must be presented at check in. No copies will be accepted.

Entries must be made in the name of the Owner.

Animals showing signs of warts or other disease will be disqualified and will be required to leave the Fairgrounds.

OWNERSHIP REQUIREMENTS

Arkansas State Fair requires that all entries are made in the name of the owner.

Partnership animals must be so registered and entered under the partnership designation.

Exhibitors must have official Registration Certificates on all entries available for inspection by show and/or Association officials. This may include officially produced copies of original Registration Certificates obtainable from the Red Angus Association National Office.

Animals entered in any Red Angus show must have been registered in the name of the person entering said animal(s) not less than 30 days prior to the date of judging.

Substitutions for animals already entered in the Open Red Angus Show will be permitted up to and including seven days previous to the announced date of judging, providing such substitution(s) is/are permitted by the show management. (ASF allows substitutions at time of check in if approved by Superintendent and upon payment of \$15 substitution fee)

DECLARATION OF PARTICIPATION

Each exhibitor and/or owner of Red Angus entering in any Red Angus show or exhibition is subject to the "Declaration of Participation" in accordance with the Rules and Regulations of the Red Angus Association of America:

I/We, as exhibitor and/or owner of Red Angus, having made entry application to any Red Angus show or exhibition do hereby agree:

To make our cattle available to any tests or examinations called for by designated representatives of the Red Angus Association of America or show officials with regard to acceptability of the cattle to be exhibited in the show.

To absolve the Red Angus Association of America from claims for damages resulting from any such examinations or tests requested by designated representatives of the Association or show officials.

To retain the right to challenge the results of any such examination or test in due course and under the provisions of the Right to Appeal, in accordance with the Rules and Regulations of the Red Angus Association of America and incorporated in the Show Regulations and Classifications.

SPECIAL RULES

No exhibitor shall be credited more than two premiums in an individual class.

All cattle must be purebred and have an original registration paper (no copies accepted) to be eligible to show.

All Shorthorns and Polled Shorthorns are subject to a tattoo inspection by representatives of the Association. All tattoos and registration papers may be verified by Arkansas State Fair officials at check in. If an animal's tattoo is not legible or cannot be read upon initial processing, it will be ineligible to show and not be allowed to return with a new or corrected tattoo.

All cattle are subject to an age inspection if deemed necessary by the ASA or Arkansas State Fair and the decision of the examining veterinarian is final.

All animals must be registered as the property of the exhibitor in the records of the ASA by the time of the Fair or Show. *The Arkansas State Fair requires that animals must have been owned by the owner not less than 30 days prior to the opening day of the show, and entries must be made in the name of the owner. No pending entries are accepted.*

Individual animals shown in any group class must have been entered and shown in one of the classes for single animals. Multiple owned animals must be exhibited in the name of all owners. Animals entered in Junior classes and entered in Open classes may be treated as family entries in group classes.

Use of artificial fins on show animals is not permitted.

All animals must abide by Arkansas Livestock & Poultry Commission health regulations. Animals exhibiting signs of warts or other disease will be disqualified and will be required to leave the Fairgrounds.

Senior/Junior Yearling Pregnancy Rule for exhibitors at all Open shows: Any senior/junior yearling female 28 months of age or older on or before the date of the show must have a registered purebred natural calf at side and must be shown with calf. If purebred Senior/Junior Yearling has a ShorthornPlus calf at side, it is NOT eligible for the Purebred Shorthorn Show, however it is eligible for the ShorthornPlus show if such show is available. All females 20 months of age on or before the date of the Regional show need to have a 60 day pregnancy verification signed by an accredited, non-owner veterinarian at the time the female is processed for the show.

Exhibitors may be asked to present said verification upon the request of the Show officials or ASA representatives. If verification cannot be produced, the female may be allowed to participate if the exhibitor can produce a qualified veterinarian to examine the female at the show site, and verify a 60-day pregnancy. Any infractions against this rule will lead to disqualification of that animal for that specific show.
