

Arkansas State Fair Sheep Handbook

Section 1: Market Lambs

Superintendent: Mike Reynolds

Minimum weight for Market Lambs is 80 pounds. There is no maximum weight.

Market Lamb ownership deadline: June 26, 2021

Each exhibitor is limited to three lambs in the show.

All lambs entered must participate in the Arkansas Cooperative Extension validation program.

Either wethers or ewes may be shown.

Show classes will be divided by weight.

Exhibitors will declare show weights. A 5 pound weigh-back policy is in place for the market lamb show and any lamb is subject to being weighed back.

Lambs must be slick shorn uniformly (above knees and hocks) with no belly wool.

Registered ewes in the market show may also enter the breed show classes.

Wether dam ewes (two per exhibitor) in the market show may also enter the wether dam ewe show.

Market Lambs will be shown in the following divisions:

- Hair Sheep
- Southdown
- Shropshire
- Dorset
- Natural Colored
- Hampshire
- Suffolk
- White Faced AOB and Crossbred
- Black Faced AOB and Crossbred

*Any breed classified as AOB that has 10 head exhibited will pull out of AOB and have their own breed show.

Any Division may be split in to classes/divisions as show management see fit by weight

Market Lamb Breed Classification Standards

Hair Sheep

Must have predominant hair breed characteristics (ex. Dorper, Katahdin).

Southdown

Must have predominant Southdown breed characteristics such as hair on head should be mouse or gray color, not white or black. Dark pigmentation on hide is acceptable. May not have horns, speckled markings or black spots.

Shropshire

Must have predominant Shropshire breed characteristics such as a white fleece with black lower legs and head.

Dorset

Must have predominant Dorset breed characteristics such as white fleece and hair throughout and open face with wool on the crown and under the jaws. May not have dark colored spots in the hair or wool, solid black hooves, or a dark colored septum (dividing the tissue between the nostrils).

Natural Colored

Any breed of sheep that has a predominant “blue or black tint” to the skin and wool. The body must have 50% or more blue or black tint. A few black or blue spots coloring of the wool, bite marks, fungus spots or scars with black or dark fiber areas will not classify the lamb in this division.

Hampshire

Must have predominant Hampshire breed characteristics such as face relatively free of wool from the eyes down; unbroken wool cap extending from the neck over the forehead; ears moderate in length, thick with dark brown or black hair and little wool; hornless and the body wool free of dark fibers.

Suffolk

Must have predominant Suffolk breed characteristics such as face completely free of wool and covered in black hair; ears that are long and bell shaped and covered with black hair; black hair on the legs; hornless and free of dark fibers in the body wool.

White Faced AOB and Crossbred

Any purebred white face breed of sheep, and all crosses of white face breeds of sheep (including Dorset and Southdown) will be classified in this division.

Black Faced AOB and Crossbred

Any other purebred black face breed of sheep, and all crosses of black face breeds of sheep (including Hampshire, Shropshire, and Suffolk cross sheep).

Section 2: Junior Wether Dam Lambs

Superintendent: Mike Reynolds

Wether Dam Lambs are defined as any crossbred animal, or may be purebred provided it is not entered in an Arkansas State Fair Breed Show.

All lambs entered must participate in the Arkansas Cooperative Extension validation program.

No minimum or maximum weight.

Lambs must be slick shorn (shorn above knees and hocks).

All lambs must have lamb teeth, no permanent teeth showing.

Exhibitors will declare show weight. There will be a random 5 pound weigh back at the discretion of show management.

Lambs will be assigned to class by weight by show management.

Wether Dam Lambs will be show in two divisions: Ewe lambs and Yearling Ewes.

Exhibitors are limited to two entries per division.

Section 3: Registered Breeding Sheep

Superintendents: Carey Robertson

The following rules will be enforced for both the Junior and Open Boer Goat Shows

- All breeding sheep must be registered in their respective association.
- All animals must have an official scrapper ID tag.
- Sheep in spring classes must have lamb teeth.
- Exhibitors may not receive more than two awards in any single class and not more than one award in any group class per breed.
- An exhibitor may move only one lamb from the spring class to the fall class.

Breed Show Requirements: All breeds recognized in the handbook for the current year fair will have a breed show at the state fair regardless of number of entries. Superintendent will review entry information each year and determine eligible breeds. Any breed that does not have a recognized show will compete in AOB.
